

# 2025-26 *Junior Aeros Media Guide*

[WWW.TORONTOAEROS.COM](http://WWW.TORONTOAEROS.COM)

## Toronto Aeros Mission

*To support highly motivated athletes in realizing their full academic, athletic and personal potential through high performance women's hockey, in pursuit of life-long success.*

Toronto Aeros Girls Hockey Association 2025-26

*Welcome to the 2025-26*

## *Toronto Junior Aeros*

### Team Mandate

.....  
*To provide an elite U22 women's hockey program with high standards of commitment and skill development;*

.....  
*To prepare players to play at the University and Senior levels and possibly National Team levels;*

.....  
*To promote the importance of a higher education for our players;*

.....  
*To maintain the Aeros reputation as a "high class" organization with a high code of conduct for players and team staff;*

.....  
*To emphasize continuous improvement of the entire team and all players rather than individual statistics and winning all games.*

*A Tradition of Excellence*

Toronto Junior Aeros Staff

**Whitney Kennedy** *Head Coach & High Performance Director*

Contact: [whitney.kennedy21@gmail.com](mailto:whitney.kennedy21@gmail.com)  
416-838-2107

Whitney is in her 11th year coaching with the Aeros, initially at our Bantam AA affiliate, before joining the Junior staff 6 years ago. She became our Junior Head Coach last season, and now oversees both U18 and U22 programs as High Performance Director.

She is HP1 trained and was selected to coach at the OWHa High Performance Camps this summer. Whitney is a 3-year OWHa Junior hockey alumna (formerly known as the PWHL), including 2 years as a Centre with the Junior Aeros, where she won a League Championship. In her graduating Junior Aeros season, Whitney was Assistant Captain, scoring 25 goals, including goals against Harvard and Brown in D1 Exhibition play.

Following that, she won an ECAC regular season title and Ivy League Championship playing at then nationally-ranked Harvard, while earning All-Academic honours. She graduated from Harvard with an Honours degree in both History and Science (Mind Brain Behaviour certificate), and Global Health & Health Policy in 2013.

Professionally, Whitney is a Vice President of Commercial Advisory & Strategy at Infrastructure Ontario.

Whitney believes that character is critical to lifelong success and aspires to develop the whole individual, not just the player. She centers her philosophy and teams around culture and character – where everyone can bring their authentic selves to the rink without being afraid of judgement or making mistakes. Whitney believes that hockey is so much bigger than the game itself, so the time players spend at the rink should be the best 2-3 hours of their day, with work ethic and accountability being cornerstones to achieving success. She is known for building trusting relationships with her players as she prioritizes open, honest and consistent communication.

**Miriam Paas** *Associate Coach*

Miriam grew up playing hockey in Toronto before going on to play 4 years of varsity hockey at NCAA D3 Bethel University in Minnesota. She was named Captain of the team in her senior year. After graduating in 2009, Miriam worked at Trinity College School for two years where she served as an Assistant Coach to Rick Traugott for their girls' varsity hockey team.

Following her time at Trinity College School, she became an Assistant Coach to the Queen's women's hockey team for 7 seasons, working with the Defence. During her time with the Gaels, the team clinched a playoff berth each season and captured an OUA championship in the 2012-13 season. This is Miriam's third season as an Associate Coach with the Toronto Aeros U22 team, working with the Defence. She also works periodically with our U18 program providing valuable continuity of approaches.

**Claire Dalton** *Associate Coach*

Claire is a 3 year Aero alumna of our U18 and U22 programs, who is coaching with our Junior program for a third consecutive season.

She first won Provincial Silver with our U18s, then League Silver in 2017 and League Gold in 2018 as an Assistant Captain. With Team Ontario Red, she won the National Championship in 2017, and was a member of Team Canada U18 in 2017-18.

Claire graduated from Yale with an Economics degree in 2023, achieving 4 year All-Academic Honours. She was elected Team Captain as a Senior, receiving Yale's prestigious Molly Meyer Humanitarian Award. She shattered Yale's career assists record (89) set 35 years ago, earned 2nd team All-Ivy Honours, 3rd team All-ECAC Honours twice, All-ECAC Tournament Honours and 2 Team MVP Awards. As a Senior, she led the team in GWGs including an OT winner to secure Yale's first ever Ivy League title. Claire is #2 in career points for Yale with 133 points in 130 games.

Claire is playing in her third PWHL season. Signed by Montreal in the inaugural draft, she played two seasons there. We're thrilled to have her return home this season, to play with Toronto Sceptres.

Toronto Aeros Alumnae

Since its inception, the Toronto Aeros Girls Hockey Association has achieved a strong record of success in assisting players to accomplish their goals for higher education, while continuing their athletic career at the next level. Over the past 10 seasons alone, 81 players graduating from the Aeros program have gone on to play athletics at the university level, including a majority of players over that time period moving up to compete at the NCAA Division 1 level.

With the emphasis in our program on achieving academic excellence and all-round personal development, rather than simply hockey skills, it is especially noteworthy that over 1/3 of our alumnae have achieved an Ivy League education, including 30 Aeros in the past 15 years. We are especially proud that the Aeros alumnae network consists of highly successful women in their chosen fields, including impressive numbers of doctors, lawyers, management consultants, engineers, PhDs, and business executives.

Whatever their chosen fields, we are incredibly proud of all of our alumnae in the realization of their full academic, personal and athletic potential at the university of their choice. It is our hope that their time as an Aero helped instill in them the value of excellence in all they do, and wish them the very best as they continue on their journey in pursuit of life-long success.

Listed below are those Aeros Alumnae graduating in the past 4 seasons who continue to combine academics and athletics at the next level. For a complete historical listing, visit [www.torontoaeros.com](http://www.torontoaeros.com).

2025 Alumnae

Noa Brown	<i>Brown University</i>
